

TWO PAIRS OF TWINS WITH THE SAME BIRTHDAY

By Erin Archibald

The Archibald twins Megan and Sophie have the same birthday as the twins Hania and Wafia. The two pairs of twins are both eight years old and are in the same class. In an interview with Sophie and Megan Archibald they replied.

Megan

Q1: Who is older you, Sophie, Hania or Wafia

Wafia is the oldest following Hania then Sophie and Megan.

Q2: What do you like about being a twin?

I like that I always have someone to rely on and also a friend as I now that Sophie would never let me down.

Q3: Do you ever pretend to be one another?

Yes we used to do it quite a lot, when we were going to bed at night we would switch places so that people would think I was Sophie and Sophie was me.

Sophie

Q1: Some twins can read each others minds or can tell where the other twin will be can you?

No we have never been able to do anything like that but a few times before I have been able to tell what each other were thinking.

Q2: Are you the older or younger twin?

I am the older twin by 25 minutes.

Q3: Do you like being a twin?

I really like being a twin as I know Megan will always be there for me and I will always be there for her.

These two pairs of twins are very special indeed and perhaps other twins out there have the same birthday?

Everybody is having a great time!!!

YEAR 5 GREEK DAY

By LUCY HARRIS

On the 22nd of July 2011 Year 5 had a Greek day, there was four activities Greek drama, a Greek food tasting session, Greek Olympics. We also made standards to support our groups which were: Greek cities— Athens, Sparta and Corinth in the Olympic games. I was in the team Corinth and guess what.....? We won. We had to run up the track we use for sports day there and back and then javelin throwing. Corinth won eight rounds, Sparta won seven rounds and Athens won 3 rounds. My favourite activity was the food tasting as we got to try pitta bread, hummus, Greek yoghurt dipped in honey, olives, feta cheese and Tzatziki. It was a fun day that I won't forget!!

Year 5 in their Greek outfits. Don't they look fantastic!

SUPER SHERINGHAM

By Iona Skelton

As you may know Year 6 had a week away at Sheringham which started on Monday 6th June till Friday 10th June. Year 6 loved everything about the trip and we have a feeling that the adults and teachers who came with us enjoyed it too! Here are two of our favourite days of the awesome week!

Tuesday morning we had a lovely fry-up and got ready to go to Snettisham Deer Safari. When we were at the park we first went on the deer safari and the man with us gave us food to feed the deer with. Once we had done that we eat our packed lunch. Then we went to feed some other animals. After that, we went to feed lambs and the whole year said that they were really cute. We had some bottles with some warm milk in them and we had to hold it at 45 degrees for them to drink out of. We then went to play in the park and go to the shop. Next we headed back to the hostel for a lovely dinner. That night we decided not to go to the beach but to have a movie night! We watched "Gulliver's Travels" which was really funny.

On Friday we had ANOTHER delicious breakfast and then packed our bags as this was our last day of the week. Next we had to strip our beds, which proved to be the most challenging thing of the week! Sarah Taylor, Ellie Messer, Matilda Reijs and I were in a room opposite a group of boys. You could hear quite a lot of thumps and shouts from their room (and ours)! Once we'd dragged our even heavier bags onto the coach we set off on the one hour trip to Hunstanton Funfair.

JASON AND THE ARGONAUTS By LUCY HARRIS

You probably watched the play "Jason and the Argonauts" and hopefully you enjoyed it because the year 5's certainly did. I was Medea!!!! It was more a musical than a play and Georgia thought it was excellent. We did two performances one on Friday afternoon (to the school) and the second one we did was on Monday night (to the parents.) Are play was a success. We had perfect singers and wonderful dancers . According to Mrs Scott it was "legendary!!!!"

When we arrived it was a mad rush for the best rides: G-Force, Hamster Wheel, Miami and the Dodgems. Once we'd gone on a few rides some of us went to have some ice cream and Cullen decided to stuff himself with chips without being sick. Then we went back on the coach for the journey back home. When we arrived at school the hall was packed of parents, brothers, sisters waiting for us to come home. We all agreed it was the best holiday ever!!!
